

**Cover plate**  
**NDV-3-ISO**  
Part number: 10340

 [General operating condition](#)

**Data sheet**

| Feature                                  | Value                                                              |
|------------------------------------------|--------------------------------------------------------------------|
| Based on norm                            | ISO 5599-1                                                         |
| Conforms to standard                     | ISO 5599-1                                                         |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:-:-]                      |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use) |
| LABS (PWIS) conformity                   | VDMA24364-B1/B2-L                                                  |
| Product weight                           | 314 g                                                              |
| Material of sub-base                     | Steel                                                              |
