Germany

www.weidmueller.com**Compact interface system for test-disconnect terminals**

Safe checking and testing of protective relays,
measurement devices and counters

POCON as a universal test-disconnect terminal system
supports
a wide range of measurement situations optimally. The
innovative interface system includes
functions such as automatic short-circuiting or slitting.
An innovative module has been developed in close
collaboration with our customers which
covers a wide range of applications.
