

**Adapter kit**  
**DHAA-G-Q5-25-B11-25**  
Part number: 1279439

 [General operating condition](#)

**Data sheet**

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Mounting position                | Any                           |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Note on materials                | RoHS-compliant                |
| Plate material                   | Wrought aluminum alloy        |
