

### Main

|                              |                                                                                |
|------------------------------|--------------------------------------------------------------------------------|
| Range of product             | Modicon Quantum automation platform                                            |
| Product or component type    | Rack backplane                                                                 |
| Product specific application | For distributed I/O modules<br>For local I/O modules<br>For remote I/O modules |

### Complementary

|                  |         |
|------------------|---------|
| Free slots       | 2       |
| Mounting support | Rack    |
| Product weight   | 0.23 kg |

### Environment

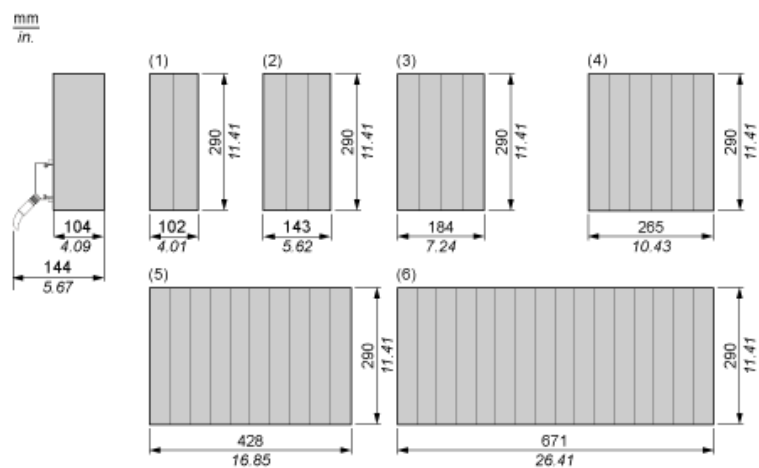

|                      |                                 |
|----------------------|---------------------------------|
| Protective treatment | Conformal coating Humiseal 1A33 |
|----------------------|---------------------------------|

### Offer Sustainability

|                                  |                                                                                       |
|----------------------------------|---------------------------------------------------------------------------------------|
| Sustainable offer status         | Green Premium product                                                                 |
| RoHS (date code: YYWW)           | Compliant - since 1336 - <a href="#">Schneider Electric declaration of conformity</a> |
| REACH                            | Reference not containing SVHC above the threshold                                     |
| Product environmental profile    | Available <a href="#">Download Product Environmental</a>                              |
| Product end of life instructions | Need no specific recycling operations                                                 |

## Racks for Modules Mounting

### Dimensions of Modules and Racks

- (1) 2 slots
- (2) 3 slots
- (3) 4 slots
- (4) 6 slots
- (5) 10 slots
- (6) 16 slots
