

# Flange mounting FNC-40

Part number: 174377

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                                                                     |
|----------------------------------|---------------------------------------------------------------------------|
| Size                             | 40                                                                        |
| Conforms to standard             | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress                                                  |
| LABS (PWIS) conformity           | VDMA24364-B2-L                                                            |
| Ambient temperature              | -40 °C ... 150 °C                                                         |
| Product weight                   | 291 g                                                                     |
| Note on materials                | RoHS-compliant                                                            |
| Mounting material                | Steel<br>Galvanized                                                       |
| Material of screws               | Steel<br>Galvanized                                                       |
