

### Main

|                           |                          |
|---------------------------|--------------------------|
| Product or component type | Remote control auxiliary |
| Device short name         | Tm120                    |

### Complementary

|                       |                                                                  |
|-----------------------|------------------------------------------------------------------|
| Control type          | Remote control maintained 230 V AC 50/60 Hz<br>Coil deconnection |
| Response time         | 2 s closing<br>1 s opening                                       |
| Mounting mode         | Fixed                                                            |
| Mounting support      | 35 mm symmetrical DIN rail                                       |
| 9 mm pitches          | 7                                                                |
| Product weight        | 0.3 kg                                                           |
| Height                | 81 mm                                                            |
| Width                 | 117 mm                                                           |
| Depth                 | 75 mm                                                            |
| Product compatibility | C120 2P                                                          |

### Environment

|           |             |
|-----------|-------------|
| Standards | IEC 60947-2 |
|-----------|-------------|

### Contractual warranty

|        |           |
|--------|-----------|
| Period | 18 months |
|--------|-----------|
