The CM 3 HV module is an additional trend-setting expansion of the CM3 module line.

The CM 3 HV module is assembled with crimp contacts. The crimp contact features a stainless steel spring. The provides a secure snap-in contact with the module. A customized contact removal tool is available for removing the contacts.

The power modules can be ordered with or without the integrated module release aid. A removal tool is available for modules that do not have the integrated module release aid.
