

# Cable distributor ASI-KVT-FK-S

Part number: 18797

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                              | Value               |
|------------------------------------------------------|---------------------|
| Type of mounting                                     | With through-hole   |
| Mounting position                                    | Any                 |
| Product weight                                       | 7.2 g               |
| DC operating voltage range                           | ≤75 V               |
| Operating voltage range AC                           | ≤60 V               |
| Current rating                                       | 3 A                 |
| Connection cross section                             | 1.5 mm <sup>2</sup> |
| Degree of protection                                 | IP65                |
| Ambient temperature with flexible cable installation | -5 °C ... 50 °C     |
| Storage temperature                                  | -30 °C ... 85 °C    |
| LABS (PWIS) conformity                               | VDMA24364-B2-L      |
| Housing material                                     | PA                  |
| Material of pin contacts                             | Bronze              |
