ConCept Bus is excellent for the transmission of highly sensitive signals in heavy-duty connectors.

The ConCept connector system consists of multi-function, compact modules that provide excellent protection from electromagnetic fields, moisture, dust and aggressive mechanical forces.

By combining them with additional modules, you can connect the power supply and additional signals for field devices within a single connector.

General ordering data

Version	Heavy-duty connectors, HDC insert, ConCept module
Order No.	1908500000
Type	HDC CM Bus F4 CT
GTIN (EAN)	4032248616992
Qty.	1 pc(s).
