

## PRODUCT-DETAILS

# LG16-4

## LG16-4 Connecting Strip

### General Information

|                       |                         |
|-----------------------|-------------------------|
| Extended Product Type | LG16-4                  |
| Product ID            | 1SBN071306R1000         |
| EAN                   | 3471523130913           |
| Catalog Description   | LG16-4 Connecting Strip |

|                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Long Description | <p>Parallel and series connection of 3-pole contactors:</p> <ul style="list-style-type: none"> <li>To obtain a star point (3 parallel-connected poles)</li> <li>To connect poles in parallel and thus increase the AC load passing through the flow path made up of the parallel-connected poles: LP, LY, LH, LF, LG.</li> </ul> <p>The relevant cable cross-sectional area may limit the maximum permissible current. Consult information in table below</p> <ul style="list-style-type: none"> <li>To connect poles in series and thus increase the DC voltage controlled by the poles: LP, LY (only LY16-4 and LY38-4 secable strips).</li> </ul> |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Ordering

|                        |               |
|------------------------|---------------|
| E-Number (Sweden)      | 3210255       |
| EAN                    | 3471523130913 |
| Minimum Order Quantity | 2 piece       |
| Customs Tariff Number  | 85369010      |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 43 mm    |
| Product Net Height         | 28 mm    |
| Product Net Depth / Length | 35 mm    |
| Product Net Weight         | 0.025 kg |

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | bag 2 piece   |
| Package Level 1 Width          | 90 mm         |
| Package Level 1 Height         | 42 mm         |
| Package Level 1 Depth / Length | 160 mm        |
| Package Level 1 Gross Weight   | 0.05 kg       |
| Package Level 1 EAN            | 3471523130913 |

## Environmental

|             |                                   |
|-------------|-----------------------------------|
| RoHS Status | Following EU Directive 2011/65/EU |
|-------------|-----------------------------------|

## Additional Information

|                    |                                                                                                                                                                                                                                                                  |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description | LG16-4 Connecting Strip is designed for AF09..AF16, to connect 4 poles in parallel and thus increase the AC load. This connecting strip is easy and quick to connect and to increase load performance. It is also safe with insulated piece: IP20 in front face. |
| Order Multiple     | 2 piece                                                                                                                                                                                                                                                          |
| Product Main Type  | Accessories for Block Contactors                                                                                                                                                                                                                                 |
| Product Name       | Connecting Strip                                                                                                                                                                                                                                                 |
| RoHS Date          | 20171115                                                                                                                                                                                                                                                         |
| Suitable For       | AF09<br>AF16                                                                                                                                                                                                                                                     |
| Terminal Type      | Screw Terminals                                                                                                                                                                                                                                                  |

## Certificates and Declarations (Document Number)
