| Catalog Description   | CR-M230AC4LGLC Interface relay, cpl. with socket and holder                                                                                                                                                                                                                                     |
| Long Description      | The CR-M230AC4LGLC is a complete relay assembly consisting of an interface relay, socket and holder. The interface relay is from the CR-M (miniature) relay range. This relay operates with a 230 V AC rated control supply voltage and has a 4 c/o (SPDT) output contact rated at 250 V / 6 A. |
