The control of modern production processes is inconceivable without high-performance components in the control cabinet. Many of these electronic components must be protected against heat, cold, dust, and dirt to achieve permanent and reliable functionality. A well thought-out thermal management system regulates the temperature inside the control cabinet and protects against further interfering influences. We provide you with a broad portfolio of filter fans, control units and heaters.

General ordering data

Version	Exhaust filter, IP33, grey
Order No.	2557850000
Type	REF 600 33 GY
GTIN (EAN)	4050118568493
Qty.	1 pc(s).

Technical data

Dimensions and weights

Depth	106 mm	Depth (inches)	4.173 inch
Height	436 mm	Height (inches)	17.165 inch
Net weight	2,500 g	Width	436 mm
Width (inches)	17.165 inch		

Temperatures

Operating temperature range	-15...55 °C
-----------------------------	-------------

General data

Colour	grey	EMC version	No
Fan type	Roof fan	Height of installation cut-outs	291 mm
Mounting depth	34 mm	Mounting height	72 mm
Operating temperature range	-15...55 °C	Type of mounting	Snap-on
Width of installation cut-outs	291 mm	With filter	No
