

Price* : 64.05 GBP

Main

Device short name	MX
Product or component type	Voltage release
Device application	Control
Range compatibility	Compact NS Compact NSC Compact NG
Voltage release type	Shunt trip release
[Uc] control circuit voltage	220...240 V AC 50/60 Hz

Complementary

Control signal type	Maintained Impulse
Impulse duration	≥ 20 ms
Threshold tripping voltage	$0.7 \dots 1.1 \times U_n$
Response time	50 ms
Auxiliary connection terminal	Screw terminal $0 \dots 1.5 \text{ mm}^2$

Offer Sustainability

Sustainable offer status	Green Premium product
EU RoHS Directive	Pro-active compliance (Product out of EU RoHS legal scope) EU RoHS Declaration
Environmental Disclosure	Product Environmental Profile

Contractual warranty

Warranty	18 months
----------	-----------
