

## D-SUB bus connector - SUBCON-PLUS-PROFIB/90X/PG/M12 - 2902728

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

D-SUB plug, 9-pos., pin, with PG-D-SUB socket, assignment: 3, 5, 6, 8; two 90° cable entries M12 (B-coded). Bus system: PROFIBUS DP up to 12 Mbps. Termination resistor via separate M12 terminator. Long version; S7-compatible.

### Product Description

The SUBCON-PLUS fast connectors with M12 connection ensure error-free installation of bus systems, thanks to the use of fully-tested components such as cables and connectors.

The innovative housing concept is lightweight yet offers optimum mechanical protection against environmental influences. This means that the fast connection plugs are ideal, even in applications subject to vibration.

The unique SPEEDCON fast locking system on the M12 connections offers reliable connection with just half a turn.

### Your advantages

- ✓ Easy startup, plug and play
- ✓ Error-free installation, particularly in standard machine production
- ✓ Quick connection thanks to M12-SPEEDCON fast locking system
- ✓ Low weight
- ✓ PROFIBUS
- ✓ Specifically for S7 300
- ✓ Termination using M12 termination resistor
- ✓ Version with programming connection
- ✓ Adapter between IP20 and IP67 environments
- ✓ Through-contacted shielding from M12 to D-SUB
