

## PRODUCT-DETAILS

# MT/S4.12.2M

## MT/S4.12.2M Security Terminal, 4-fold, MDRC

### Общая информация

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| Тип расширенного изделия        | MT/S4.12.2M                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Идентификационный номер изделия | 2CDG110109R0011                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Европейский товарный код (EAN)  | 4016779711876                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Описание в каталоге             | MT/S4.12.2M Security Terminal, 4-fold, MDRC                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Длинное описание                | used for the monitored connection of sensors from security technology (e.g. magnetic contacts or glass-breakage sensors) to the ABB i-bus® KNX. The device has four inputs ("zones") available and can be used as a stand-alone security system or in combination with the security module or intrusion alarm panel with KNX interface. 12 V DC SELV power supply required, e.g. NTU/S 12.2000.1. Typical applications are door and window surveillance, glass-breakage detection as well as area surveillance. |

### Ordering

|                                |               |
|--------------------------------|---------------|
| Европейский товарный код (EAN) | 4016779711876 |
| Номер таможенного тарифа       | 85389091      |
| Минимальный объем заказа       | 1 штука       |
| E-Number (Switzerland)         | 405960105     |
| E-Number (Finland)             | 2815319       |
| E-Number (Sweden)              | 1738009       |

## Dimensions

---

|                        |         |
|------------------------|---------|
| Чистая толщина изделия | 64.5 mm |
| Чистая высота изделия  | 90 mm   |
| Чистая ширина изделия  | 72 mm   |
| Чистый вес изделия     | 0.15 kg |

## Container Information

---

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | box 1 штука   |
| Package Level 1 EAN            | 4016779711876 |
| Package Level 1 Depth / Length | 77 mm         |
| Package Level 1 Height         | 65 mm         |
| Package Level 1 Width          | 92 mm         |
| Package Level 1 Gross Weight   | 0.19 kg       |

---

---

## Technical

---

|                        |          |
|------------------------|----------|
| Compatible Bus Systems | KNX (TP) |
| Степень защиты         | IP20     |
| Тип монтажа            | DIN-rail |
