

## PRODUCT-DETAILS

# JRA/S2.230.5.1

## JRA/S2.230.5.1 Blind/Roller Shutter Act, Travel Det, 2-f, 230 V AC, Man Op, MDRC

### Общая информация

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Длинное описание                | <p>For the control of independent 230 V AC drives via ABB i-bus® KNX. The devices are designed for positioning blinds, roller shutters, awnings and other shading products as well as for controlling doors, windows and ventilation flaps. Additional auxiliary voltage is not needed. The travel times of the drive are detected automatically via current detection. To protect the drives, the output contacts are electromechanically locked against each other. Push buttons are located at the front of the device to control the outputs e.g. during commissioning. The current status of the output is displayed via LEDs.</p> |

### Ordering

|                                |               |
|--------------------------------|---------------|
| Европейский товарный код (EAN) | 4016779698436 |
| Номер таможенного тарифа       | 85371091      |
| Минимальный объем заказа       | 1 штука       |
| E-Number (Switzerland)         | 405430325     |
| E-Number (Finland)             | 2815399       |
| E-Number (Sweden)              | 1751246       |

---

## Technical

---

|                        |          |
|------------------------|----------|
| Compatible Bus Systems | KNX (TP) |
| Степень защиты         | IP20     |
| Тип монтажа            | DIN-rail |
