

## PRODUCT-DETAILS

# TBR/U4.7.1-CG

## TBR/U4.7.1-CG Touch control element, 4gang with room temperature controller Standard customization

### Ogólne informacje

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Opis katalogowy       | TBR/U4.7.1-CG Touch control element, 4gang with room temperature controller Standard customization                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Opis                  | <p>Freely configurable multifunction control element. The icons and/or texts are configured by means of a web configuration tool. With integrated proximity function. Support of KNX functions through innovative colour concept (yellow=lighting, blue=blind, orange=RTC, magenta=scene and white=neutral/no function assigned) or standard illumination red/green. Rocker switch left/right (switching/dimming/blind/value sender/light scenes/fan function). The controller is a constant room temperature controller for ventilator convectors (fan coils) in 2-pipe and 4-pipe systems and conventional heating or cooling systems. The fan stage can be switched manually or in automatic mode. Class of temperature controller 1 Contribution to space heating energy efficiency 1,0%. With integrated KNX bus coupler. Number of bus subscribers: 1 with separate 24 V auxiliary power supply</p> |

### Charakterystyka zamówienia

|                            |               |
|----------------------------|---------------|
| Numer EAN                  | 4011395230794 |
| Kod taryfy celnej          | 90321020      |
| Minimalna ilość zamówienia | 1 sztuka      |
| E-Number (Finland)         | 2814643       |
| E-Number (Sweden)          | 1739657       |

---

## Wymiary

|                          |          |
|--------------------------|----------|
| Głębokość produktu netto | 0.0095 m |
| Wysokość produktu netto  | 0.157 m  |
| Szerokość produktu netto | 0.086 m  |
| Waga produktu netto      | 0.172 kg |

---

## Informacje o pakowaniu

|                                      |               |
|--------------------------------------|---------------|
| Jednostka opakowania<br>(poziom 1)   | 1 sztuka      |
| EAN opakowania (poziom<br>1)         | 4011395230794 |
| Długość opakowania<br>(poziom 1)     | 0.18 m        |
| Wysokość opakowania<br>(poziom 1)    | 0.076 m       |
| Szerokość opakowania<br>(poziom 1)   | 0.15 m        |
| Waga opakowania brutto<br>(poziom 1) | 315 g         |

---

## Dane techniczne

|                         |                 |
|-------------------------|-----------------|
| Compatible Bus Systems  | KNX             |
| Stopień ochrony obudowy | IP20            |
| Rodzaj montażu          | Surface Mounted |

---

## Certyfikaty i deklaracje (Numer dokumentu)

|                           |                 |
|---------------------------|-----------------|
| Deklaracja zgodności - CE | 2CKA100000E2530 |
| Dane RoHS                 | 9AKK104295D8727 |

---

## Normy środowiskowe

|             |                                                                 |
|-------------|-----------------------------------------------------------------|
| Status RoHS | Zgodny z dyrektywą EU 2002/95/EC sierpień 18, 2005 i poprawkami |
|-------------|-----------------------------------------------------------------|

---

## Klasyfikacje

|               |                                                            |
|---------------|------------------------------------------------------------|
| ETIM 5        | EC001101 - Room temperature controller for bus system      |
| ETIM 6        | EC001101 - Room temperature controller for bus system      |
| ETIM 7        | EC001101 - Room temperature controller for bus system      |
| WEEE Category | 5. Small Equipment (No External Dimension More Than 50 cm) |
