

## PRODUCT-DETAILS

# TBR/U4.8.1-CG

## TBR/U4.8.1-CG Touch control element, 4gang with room temperature controller Standard customization

### Ogólne informacje

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Opis katalogowy       | TBR/U4.8.1-CG Touch control element, 4gang with room temperature controller Standard customization                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Opis                  | <p>Freely configurable multifunction control element. The icons and/or texts are configured by means of a web configuration tool. Support of KNX functions through innovative colour concept (yellow=lighting, blue=blind, orange=RTC, magenta=scene and white=neutral/no function assigned) or standard illumination red/green. With integrated proximity function. Rocker switch left/right (switching/dimming/blind/value sender/light scenes/fan function). The controller is a constant room temperature controller for ventilator convectors (fan coils) in 2-pipe and 4-pipe systems and conventional heating or cooling systems. The fan stage can be switched manually or in automatic mode. Class of temperature controller 1. Contribution to space heating energy efficiency 1,0%. With integrated KNX bus coupler. Number of bus subscribers: 1 with separate 24 V auxiliary power supply</p> |

### Charakterystyka zamówienia

|                            |               |
|----------------------------|---------------|
| Numer EAN                  | 4011395230817 |
| Kod taryfy celnej          | 90321020      |
| Minimalna ilość zamówienia | 1 sztuka      |
| E-Number (Finland)         | 2814638       |
| E-Number (Sweden)          | 1739658       |

## Wymiary

|                          |          |
|--------------------------|----------|
| Wysokość produktu netto  | 0.086 m  |
| Szerokość produktu netto | 0.157 m  |
| Waga produktu netto      | 0.171 kg |

## Informacje o pakowaniu

|                                   |               |
|-----------------------------------|---------------|
| Jednostka opakowania (poziom 1)   | 1 sztuka      |
| EAN opakowania (poziom 1)         | 4011395230817 |
| Długość opakowania (poziom 1)     | 0.18 m        |
| Wysokość opakowania (poziom 1)    | 0.076 m       |
| Szerokość opakowania (poziom 1)   | 0.15 m        |
| Waga opakowania brutto (poziom 1) | 312 g         |

## Dane techniczne

|                         |                 |
|-------------------------|-----------------|
| Compatible Bus Systems  | KNX             |
| Stopień ochrony obudowy | IP20            |
| Rodzaj montażu          | Surface Mounted |

## Certyfikaty i deklaracje (Numer dokumentu)

|                           |                 |
|---------------------------|-----------------|
| Deklaracja zgodności - CE | 2CKA100000E2531 |
| Dane RoHS                 | 9AKK104295D8727 |

## Normy środowiskowe

|             |                                                                 |
|-------------|-----------------------------------------------------------------|
| Status RoHS | Zgodny z dyrektywą EU 2002/95/EC sierpień 18, 2005 i poprawkami |
|-------------|-----------------------------------------------------------------|

## Klasyfikacje

|               |                                                            |
|---------------|------------------------------------------------------------|
| ETIM 5        | EC001101 - Room temperature controller for bus system      |
| ETIM 6        | EC001101 - Room temperature controller for bus system      |
| ETIM 7        | EC001101 - Room temperature controller for bus system      |
| WEEE Category | 5. Small Equipment (No External Dimension More Than 50 cm) |
