

## PRODUCT-DETAILS

# TBR/U4.8.11-CG

## TBR/U4.8.11-CG Touch control element, 4gang with room temperature controller Standard customization

### Общая информация

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

| Описание в каталоге             | TBR/U4.8.11-CG Touch control element, 4gang with room temperature controller Standard customization                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Длинное описание                | <p>Freely configurable multifunction control element. The icons and/or texts are configured by means of a web configuration tool. Support of KNX functions through innovative colour concept (yellow=lighting, blue=blind, orange=RTC, magenta=scene and white=neutral/no function assigned) or standard illumination red/green. With integrated proximity function. Rocker switch left/right (switching/dimming/blind/value sender/light scenes/fan function). The controller is a constant room temperature controller for ventilator convectors (fan coils) in 2-pipe and 4-pipe systems and conventional heating or cooling systems. The fan stage can be switched manually or in automatic mode. Class of temperature controller 1 Contribution to space heating energy efficiency 1,0%. With integrated KNX bus coupler. Number of bus subscribers: 1 with separate 24 V auxiliary power supply</p> |

### Ordering

|                                |               |
|--------------------------------|---------------|
| Европейский товарный код (EAN) | 4011395231036 |
| Номер таможенного тарифа       | 90321020      |
| Минимальный объем заказа       | 1 штука       |

---

## Dimensions

---

|                       |          |
|-----------------------|----------|
| Чистая высота изделия | 0.086 m  |
| Чистая ширина изделия | 0.157 m  |
| Чистый вес изделия    | 0.171 kg |

---

---

## Container Information

---

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 штука       |
| Package Level 1 EAN            | 4011395231036 |
| Package Level 1 Depth / Length | 0.18 m        |
| Package Level 1 Height         | 0.076 m       |
| Package Level 1 Width          | 0.15 m        |
| Package Level 1 Gross Weight   | 312 g         |
