

## PRODUCT-DETAILS

# TKM/U.3.1-CG

## TKM/U.3.1-CG Card holder programmable Standard customization

### General Information

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| Catalog Description   | TKM/U.3.1-CG Card holder programmable Standard customization                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Long Description      | Ordering possible only in connection with the design ID. For inserting and evaluating of mifare RF cards. The icons and/or texts are configured by means of a web configuration tool. With integrated KNX bus coupler. Freely programmable function >Do not disturb<, >Bell< and >Make up room<. Push switch function: switching / dimming / blind / sending values / scenes etc. Support of KNX functions through innovative colour concept (yellow=lighting, blue=blind, orange=RTC, magenta=scene and white=neutral/no function assigned) or standard illumination red/green. The bus connection is provided via the enclosed bus terminal. Number of bus subscribers: 1 with separate 24 V auxiliary power supply |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 4011395231272 |
| Customs Tariff Number  | 85365080      |
| Minimum Order Quantity | 1 piece       |
| E-Number (Finland)     | 2814661       |

### Dimensions

|                    |         |
|--------------------|---------|
| Product Net Height | 0.086 m |
| Product Net Width  | 0.115 m |

|                    |         |
|--------------------|---------|
| Product Net Weight | 0.21 kg |
|--------------------|---------|

---

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 piece       |
| Package Level 1 EAN            | 4011395231272 |
| Package Level 1 Depth / Length | 0.282 m       |
| Package Level 1 Height         | 0.064 m       |
| Package Level 1 Width          | 0.148 m       |
| Package Level 1 Gross Weight   | 210 g         |

---

## Technical

|                        |                 |
|------------------------|-----------------|
| Compatible Bus Systems | KNX             |
| Degree of Protection   | IP20            |
| Mounting Type          | Surface Mounted |

---

## Certificates and Declarations (Document Number)

|                                |                 |
|--------------------------------|-----------------|
| Declaration of Conformity - CE | 2CKA100000E4231 |
| RoHS Information               | 9AKK104295D8727 |

---

## Environmental

|             |                                                                 |
|-------------|-----------------------------------------------------------------|
| RoHS Status | Following EU Directive 2002/95/EC August 18, 2005 and amendment |
|-------------|-----------------------------------------------------------------|

---

## Classifications

|               |                                                            |
|---------------|------------------------------------------------------------|
| ETIM 5        | EC000782 - Access control unit for bus system              |
| ETIM 6        | EC000782 - Access control unit for bus system              |
| ETIM 7        | EC000782 - Access control unit for bus system              |
| WEEE Category | 5. Small Equipment (No External Dimension More Than 50 cm) |
