

## PRODUCT-DETAILS

# 6867 AGM-204-500

## 6867 AGM-204-500 Busch-Watchdog 280

### MasterLINE incl. IR remote control

## Общая информация

|                                 |                                                                        |
|---------------------------------|------------------------------------------------------------------------|
| Тип расширенного изделия        | 6867 AGM-204-500                                                       |
| Идентификационный номер изделия | 2CKA006800A2554                                                        |
| Европейский товарный код (EAN)  | 4011395150887                                                          |

|                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Длинное описание | <p>Electronic movement detector for detecting thermal motion. Remote control possible via IR remote control 6841-101 (included in scope of delivery). Remote configurable via IR service remote control 6842-101. With display for detection and operation mode. With ground and rear-field detection. With high-quality lens for optimum detection. Detection sensitivity adjustable via IR service remote control. Surveillance density: 110 sectors with 440 switching segments. With integrated dismantling protection. All functions controlled by microprocessor. Always-On (4 hours) and Presencesimulation can be activated via IR-remote control. Reading in the current brightness value as switching threshold via remote control. With automatic range stabilization. With automatic interference suppression. With automatic dazzle-proofing. With brightness-independent test mode for evaluating the detection zone. Individual adjustment of detection range via enclosed protective foil which can be cut to size. Additional possibility for switch-on via normally open push-button switch. Switch-off delay: 10 sec to 30 min or short-time pulse 1 sec adjustable.</p> |

| Минимальный объем заказа | 1 штука  |
| Номер таможенного тарифа | 85365080 |

Dimensions

|                        |         |
|------------------------|---------|
| Чистая ширина изделия  | 0.125 m |
| Чистая высота изделия  | 0.115 m |
| Чистая толщина изделия | 0.141 m |
| Чистый вес изделия     | 0.52 kg |

Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 штука       |
| Package Level 1 Width          | 0.137 m       |
| Package Level 1 Height         | 0.145 m       |
| Package Level 1 Depth / Length | 0.175 m       |
| Package Level 1 Gross Weight   | 520 g         |
| Package Level 1 EAN            | 4011395150887 |
| Package Level 2 Units          | 10 штука      |
| Package Level 2 Width          | 0.325 m       |
| Package Level 2 Height         | 0.3 m         |
| Package Level 2 Depth / Length | 0.42 m        |
| Package Level 2 Gross Weight   | 5.555 kg      |
| Package Level 3 Units          | 180 штука     |
| Package Level 3 Width          | 0.8 m         |
| Package Level 3 Height         | 1.05 m        |
| Package Level 3 Depth / Length | 1.2 m         |
| Package Level 3 Gross Weight   | 119.99 kg     |
