| Catalog Description   | N2260.2 BL - Universal rotatory/push dimmer - 2M - White                                                                                                                                                                                                                                                                                                                                                                                                 |
| Long Description      | <p>Color: White.<br/> Rated voltage: 230 Vac / 50 Hz<br/> Min. power: 60 W/VA<br/> Max. power:<br/> - Incandescent: 500 W<br/> - Halogen lamp with electronic transformer: 500 VA<br/> - Halogen lamp with ferromagnetic transformer: 400 VA<br/> 2 wire connection<br/> With memory function<br/> Optional: auxiliary control with N2X04.X push-buttons<br/> Indicator LED lamp included<br/> Operating temperature: 0 - 30°C<br/> Size: 2 modules.</p> |

#### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 8427238068695 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85365080      |

#### Dimensions

|                    |          |
|--------------------|----------|
| Product Net Width  | 44 mm    |
| Product Net Height | 44 mm    |
| Product Net Weight | 0.081 kg |

### Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | box 1 piece   |
| Package Level 1 Width          | 0.076 m       |
| Package Level 1 Height         | 0.064 m       |
| Package Level 1 Depth / Length | 0.076 m       |
| Package Level 1 Gross Weight   | 0.081 kg      |
| Package Level 1 EAN            | 8427238068695 |

### Environmental

|                         |                                                  |
|-------------------------|--------------------------------------------------|
| Ambient Air Temperature | Operation -5 ... +35 °C<br>Storage -5 ... +50 °C |
|-------------------------|--------------------------------------------------|

### Additional Information

|                                 |                                                            |
|---------------------------------|------------------------------------------------------------|
| Actuator Type                   | Turn/push button                                           |
| Color                           | White                                                      |
| Connection Type                 | Screw                                                      |
| Degree of Protection            | IP20                                                       |
| Frequency (f)                   | 50...50 Hz                                                 |
| Load Type                       | Universal                                                  |
| Material                        | Material quality: Thermoplastic<br>Material: Plastic       |
| Mounting Type                   | Surface mounted (plaster)                                  |
| Product Main Type               | Zenit                                                      |
| Product Name                    | Universal rotatory/push dimmer - 2M - White                |
| Rated Voltage (U <sub>r</sub> ) | 230...230 V                                                |
| Replaced Product ID (OLD)       | 2CL0N226021                                                |
| Surface Finishing               | Surface protection: Untreated<br>Surface finishing: Glossy |

### Certificates and Declarations (Document Number)

|                                   |                 |
|-----------------------------------|-----------------|
| Data Sheet, Technical Information | 9AKK10103A5108  |
| Declaration of Conformity - CE    | 9AKK106930A5901 |
