

## PRODUCT-DETAILS

# A44 353-100

Active Energy Class  $\pm 0,5\%$  (or C for MID meters). Reactive Energy Class  $\pm 2\%$ ;

## General Information

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| EAN                   | 7392696705387                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Catalog Description   | Active Energy Class $\pm 0,5\%$ (or C for MID meters). Reactive Energy Class $\pm 2\%$ ;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Long Description      | Advanced DIN-rail meter with a large and easy to read back lighted pixel-oriented display. The meter is intended for use in the industry, commercial buildings etc. The meter can be used in 3 or 4 wire systems with a wide voltage range. The meter has several instrumentation values, 25 possible alarms and event logs. Three phase transformer connected for active and reactive energy. Import and export of energy in different registers and one total. Resettable register for intermediate values. Up to four tariffs. Two outputs and inputs for pulses or alarm etc. M-Bus communication. Accuracy class 0,5 (or C for MID meters). The meters is IEC approved + MID approved and verified. |

## Ordering

|                        |               |
|------------------------|---------------|
| E-Number (Finland)     | 6701027       |
| E-Number (Sweden)      | 0980720       |
| EAN                    | 7392696705387 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 90283019      |

## Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 123 mm   |
| Product Net Height         | 26.5 mm  |
| Product Net Depth / Length | 65 mm    |
| Product Net Weight         | 0.363 kg |

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | box 1 piece   |
| Package Level 1 Width          | 98 mm         |
| Package Level 1 Height         | 68 mm         |
| Package Level 1 Depth / Length | 144 mm        |
| Package Level 1 Gross Weight   | 0.453 kg      |
| Package Level 1 EAN            | 7392696705387 |

## Environmental

|                         |                                                                 |
|-------------------------|-----------------------------------------------------------------|
| Ambient Air Temperature | Operation -40 ... +70 °C                                        |
| RoHS Status             | Following EU Directive 2002/95/EC August 18, 2005 and amendment |

## Additional Information

|                                  |                                                                                          |
