

## PRODUCT-DETAILS

# UK650MV

## UK650MV media unit fl DIN 5R vent do

### General Information

|                       |                                      |
|-----------------------|--------------------------------------|
| Extended Product Type | UK650MV                              |
| Product ID            | 2CPX031393R9999                      |
| EAN                   | 4011617313939                        |
| Catalog Description   | UK650MV media unit fl DIN 5R vent do |

### Long Description

Multimedia unit, series UK600, for the internal use, with closed doorframe and door, class of protection II (double insulated), degree of protection IP30, applicable standards: EN 60670-24, IK code 07, Rated operational voltage 400V AC 50/60 Hz, rated current 63 A, Glow wire resistance 850°C, powder-coated, in RAL 9016, enclosure out of thermoplast, with frame and ventilated door, door out of sheet steel, in RAL 9016, with TIP-in closure, door opening angle 120 degree, door hinge right or left, cable entry on top via cable entry slide part is pre-punched, on bottom via cable entry slide part is pre-punched, on side via pre-punched, rear wall pre-punched, dimensions in mm (H x W x D): 872 x 384 x 97, Shutter frame dimensions in mm (H x W x D): 872 x 384 x 9, 5-rows, cable fastening rail integrated, assembled with DIN rail, perforated sheet steel mounting plate and rotatable double socket outlet

### Ordering

|                        |               |
|------------------------|---------------|
| E-Number (Sweden)      | 2201266       |
| EAN                    | 4011617313939 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85381000      |

### Dimensions

|                   |        |
|-------------------|--------|
| Product Net Width | 384 mm |
|-------------------|--------|

|                            |         |
|----------------------------|---------|
| Product Net Height         | 872 mm  |
| Product Net Depth / Length | 97 mm   |
| Product Net Weight         | 5.42 kg |

## Container Information

|                                |                        |
|--------------------------------|------------------------|
| Package Level 1 Units          | pack 1 piece           |
| Package Level 1 Width          | 390.000 mm             |
| Package Level 1 Height         | 880.000 mm             |
| Package Level 1 Depth / Length | 115.000 mm             |
| Package Level 1 Gross Weight   | 5.637 kg               |
| Package Level 1 EAN            | 4011617313939          |
| Package Level 2 Units          | pallet (lift) 30 piece |
| Package Level 2 Width          | 800.000 mm             |
| Package Level 2 Height         | 1820.000 mm            |
| Package Level 2 Depth / Length | 1200.000 mm            |
| Package Level 2 Gross Weight   | 182.6 kg               |

## Additional Information

|                           |                                                                                                   |
|---------------------------|---------------------------------------------------------------------------------------------------|
| Color                     | traffic white                                                                                     |
| Configuration Type        | assembled with DIN rail, perforated sheet steel mounting plate and rotatable double socket outlet |
| Cover Plate Type          | Door                                                                                              |
| Degree of Protection      | IP30                                                                                              |
| Enclosure Type            | Multimedia unit                                                                                   |
| Housing Material          | Plastic                                                                                           |
| Interior Depth            | 81 mm                                                                                             |
| Mounting Type             | Flush-mounted                                                                                     |
| Niche Depth               | 95 mm                                                                                             |
| Niche Height              | 855 mm                                                                                            |
| Niche Width               | 367 mm                                                                                            |
| Number of Rows            | 5                                                                                                 |
| Operational Voltage       | 400 V                                                                                             |
| Power Loss                | $\Delta t = 30K$ 155 W                                                                            |
