| EAN                   | 4011617420330                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Catalog Description   | MBH351 Set S750 breaker Module 3PW                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Long Description      | Interior fitting module, CombiLine, Modular distribution panel not assembled, for Busbar system 40 mm for S750, Grid unit 2 GU = 300 mm, panel width 3 = 750 mm, 72 Space units, , usable width of 322 mm, unequipped for the installation of selective main circuit breaker S750, for busbar system 1.3-pole, Busbar alignment: horizontal, with busbar holders ZB5, Busbar center distance: 40 mm, for maximum 4 Cu busbars, (busbars must be ordered separately), rated current maximum 250 A, covers out of Plastic, 90 degree press and turn closure, RAL 7035, Design of the cover: with cut-out, usable as of the cabinet depth of 200 mm |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 4011617420330 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85381000      |

### Dimensions

|                            |        |
|----------------------------|--------|
| Product Net Width          | 750 mm |
| Product Net Height         | 300 mm |
| Product Net Depth / Length | 200 mm |

|                    |          |
|--------------------|----------|
| Product Net Weight | 3.203 kg |
|--------------------|----------|

### Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | pack 1 piece  |
| Package Level 1 Width          | 505.000 mm    |
| Package Level 1 Height         | 55.000 mm     |
| Package Level 1 Depth / Length | 750.000 mm    |
| Package Level 1 Gross Weight   | 3.331 kg      |
| Package Level 1 EAN            | 4011617420330 |

### Additional Information

|                                     |                                    |
|-------------------------------------|------------------------------------|
| Color                               | light grey                         |
| Device                              | S750                               |
| DIN Place Units                     | 72                                 |
| Enclosure Type                      | Interior fitting module            |
| Enclosure Type of Height            | 000                                |
| Field Width                         | 3                                  |
| Interior Depth                      | 200 mm                             |
| Module Function                     | Busbar system 40 mm for S750       |
| Number of Switches                  | 0                                  |
| Operational Voltage                 | 400 V                              |
| Product Main Type                   | MBH                                |
| Product Name                        | MBH351 Set S750 breaker Module 3PW |
| Rated Current ( $I_n$ )             | 250 A                              |
| Rated Operational Current ( $I_e$ ) | 250 A                              |
| Rated Operational Voltage           | Maximum 400 V                      |
| Standards                           | DIN EN 61439-3<br>DIN EN 61439-2   |

### Certificates and Declarations (Document Number)
