

## PRODUCT-DETAILS

# DDA203 A-63/0,03 AE

## DDA203 A-63/0,03 AE - RCD Block

### General Information

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| Catalog Description   | DDA203 A-63/0,03 AE - RCD Block                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Long Description      | <p>The RCD block DDA200 series is suitable for assembly with MCBs S200 series. It assures protection against the effects of sinusoidal alternating and direct pulsating earth fault currents, protection, against indirects contacts and additional protection against direct (with sensitivity = 30 mA) contacts. It is provided with two additional contacts to be used in emergency circuits for remote opening in positive safety.</p> <p>Applications: commercial, industrial.</p> |

### Technical

|                          |                                       |
|--------------------------|---------------------------------------|
| Standards                | IEC/EN 61009 Ann. G                   |
| Operating Characteristic | Instantaneous (AE for Emergency Stop) |
| Type of Residual Current | A type                                |
| Rated Residual Current   | 30 mA                                 |
| Rated Current ( $I_n$ )  | 63 A                                  |
| Number of Poles          | 3                                     |
| Power Loss               | 7.6 W                                 |
| Rated Voltage ( $U_r$ )  | 230/400 V                             |

### Environmental

Ambient Air  
Temperature

Operation -25...55 °C

RoHS Status

Following EU Directive 2011/65/EU

## Technical UL/CSA

Short-Circuit Current  
Rating (SCCR)

0.03 ... 0.03 A

## Dimensions

|                               |          |
|-------------------------------|----------|
| Product Net Width             | 0.122 m  |
| Product Net Height            | 0.093 m  |
| Product Net Depth /<br>Length | 0.069 m  |
| Product Net Weight            | 0.311 kg |

## Container Information

|                                   |               |
|-----------------------------------|---------------|
| Package Level 1 Units             | 1 piece       |
| Package Level 1 Width             | 0.102 m       |
| Package Level 1 Height            | 0.075 m       |
| Package Level 1 Depth /<br>Length | 0.147 m       |
| Package Level 1 Gross<br>Weight   | 0.368 kg      |
| Package Level 1 EAN               | 8012542802112 |

## Ordering

|                        |          |
|------------------------|----------|
| Minimum Order Quantity | 1 piece  |
| Customs Tariff Number  | 85363030 |

## Certificates and Declarations (Document Number)
