| EAN                   | 8012542926504                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Catalog Description   | DDA804 A S-63/1 - RCD Block                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Long Description      | The RCD Block DDA800 series assures protection to people and installations against fault current to earth. A large offer for standard instantaneous and selective AC and A types is completed with some configurations for special applications. This product is particularly suitable for protection against earth fault currents with an intentional tripping delay, in order to realize selectivity with downstream instantaneous devices. |

### Technical

|                          |                                              |
|--------------------------|----------------------------------------------|
| Standards                | IEC EN 60947-2 Ann. B                        |
| Operating Characteristic | Selective                                    |
| Type of Residual Current | A type                                       |
| Rated Residual Current   | 1000 mA                                      |
| Rated Current ( $I_n$ )  | 63 A                                         |
| Number of Poles          | 4                                            |
| Power Loss               | 13.5 W                                       |
| Rated Voltage ( $U_r$ )  | 230/400 V AC<br>240/415 V AC<br>400/690 V AC |

### Environmental

Ambient Air  
Temperature

Operation -25...60 °C

RoHS Status

Following EU Directive 2011/65/EU

## Technical UL/CSA

|                                        |         |
|----------------------------------------|---------|
| Short-Circuit Current<br>Rating (SCCR) | 1...1 A |
|----------------------------------------|---------|

## Dimensions

|                               |          |
|-------------------------------|----------|
| Product Net Width             | 0.223 m  |
| Product Net Height            | 0.108 m  |
| Product Net Depth /<br>Length | 0.076 m  |
| Product Net Weight            | 0.460 kg |

## Container Information

|                                   |               |
|-----------------------------------|---------------|
| Package Level 1 Units             | box 1 piece   |
| Package Level 1 Width             | 0.12 m        |
| Package Level 1 Height            | 0.094 m       |
| Package Level 1 Depth /<br>Length | 0.226 m       |
| Package Level 1 Gross<br>Weight   | 0.56 kg       |
| Package Level 1 EAN               | 8012542926504 |

## Ordering

|                        |          |
|------------------------|----------|
| Minimum Order Quantity | 1 piece  |
| Customs Tariff Number  | 85363030 |

## Certificates and Declarations (Document Number)

|                                   |                     |
