

## PRODUCT-DETAILS

# AD1CO-15m

## AD1CO-15m Analog timer

### General Information

|                       |                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------|
| Extended Product Type | AD1CO-15m                                                                               |
| Product ID            | 2CSM222421R1000                                                                         |
| EAN                   | 8012542224211                                                                           |
| Catalog Description   | AD1CO-15m Analog timer                                                                  |
| Long Description      | Analog time switch, daily programming, 1 channel CO, 15 minutes switch, without reserve |

### Ordering

|                        |               |
|------------------------|---------------|
| E-Number (Sweden)      | 1330666       |
| EAN                    | 8012542224211 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85364900      |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 44 mm    |
| Product Net Height         | 66 mm    |
| Product Net Depth / Length | 88 mm    |
| Product Net Weight         | 0.112 kg |

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 piece       |
| Package Level 1 Width          | 48 mm         |
| Package Level 1 Height         | 74 mm         |
| Package Level 1 Depth / Length | 98 mm         |
| Package Level 1 Gross Weight   | 0.129 kg      |
| Package Level 1 EAN            | 8012542224211 |

## Environmental

|                         |                         |
|-------------------------|-------------------------|
| Ambient Air Temperature | Operation -10 ... 50 °C |
|-------------------------|-------------------------|

## Additional Information

|                           |                                                                                       |
|---------------------------|---------------------------------------------------------------------------------------|
| Accuracy                  | Operating accuracy: $\pm 1$ second/day at 23°C<br>Switching accuracy: $\pm 5$ minutes |
| Degree of Protection      | IP20                                                                                  |
| Function                  | Daily                                                                                 |
| Meter Type                | Electromechanical                                                                     |
| Mounting Type             | DIN rail                                                                              |
| Number of Channels        | 1                                                                                     |
|                           | 0.5 W                                                                                 |
| Power Loss                | 0.5 W                                                                                 |
| Product Main Type         | AG Timer                                                                              |
| Product Name              | Analog Time switch                                                                    |
| Rated Frequency (f)       | 50 ... 60 Hz                                                                          |
| Rated Operational Voltage | 230 V                                                                                 |
| Supply Voltage            | 230 V                                                                                 |

## Certificates and Declarations (Document Number)

|                          |                 |
|--------------------------|-----------------|
| Instructions and Manuals | 2CSM441041D5601 |
|--------------------------|-----------------|

## Classifications

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| ETIM 6                     | EC002304 - Analogous time switch for distribution board    |
| ETIM 7                     | EC002304 - Analogous time switch for distribution board    |
| Object Classification Code | K                                                          |
| WEEE Category              | 5. Small Equipment (No External Dimension More Than 50 cm) |
