

## PRODUCT-DETAILS

# TS24/8-12-24

## TS24/8-12-24 Non-inherently short-circuit proof bell transformer

### General Information

|                       |                                                                                                                                                                                                                                                              |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | TS24/8-12-24                                                                                                                                                                                                                                                 |
| Product ID            | 2CSM228695R0812                                                                                                                                                                                                                                              |
| EAN                   | 8012542286950                                                                                                                                                                                                                                                |
| Catalog Description   | TS24/8-12-24 Non-inherently short-circuit proof bell transformer                                                                                                                                                                                             |
| Long Description      | These transformers with secondary in very low safety voltage for feeding bells are available in 3 series: non-inherently short-circuit proof (TS8), non-inherently short-circuit proof with switch (TS8/SW), non-inherently short-circuit proof (TS16/TS24). |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 8012542286950 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85043121      |

### Dimensions

|                            |          |
|----------------------------|----------|
| Product Net Width          | 52.5 mm  |
| Product Net Height         | 0.085 m  |
| Product Net Length         | 65 mm    |
| Product Net Depth / Length | 0.065 m  |
| Product Net Weight         | 0.450 kg |

## Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 4 piece       |
| Package Level 1 Width          | 0.09 m        |
| Package Level 1 Height         | 0.08 m        |
| Package Level 1 Depth / Length | 0.216 m       |
| Package Level 1 Gross Weight   | 1.8 kg        |
| Package Level 1 EAN            | 8012542286967 |

## Environmental

|             |                                                                 |
|-------------|-----------------------------------------------------------------|
| RoHS Status | Following EU Directive 2002/95/EC August 18, 2005 and amendment |
|-------------|-----------------------------------------------------------------|

## Additional Information

|                                      |                                                     |
|--------------------------------------|-----------------------------------------------------|
| Options Provided                     | None                                                |
| Output Current Maximum ( $I_{out}$ ) | 3 A                                                 |
| Power Loss                           | 3 W                                                 |
| Power Supply                         | 24 V-A                                              |
| Primary Voltage                      | 230 V                                               |
| Product Main Type                    | TS                                                  |
| Product Name                         | Non-inherently short-circuit proof bell transformer |
| RoHS Date                            | 25/06/2009 0.00.00                                  |
| Secondary Current                    | Amperage 3 1 A<br>Amperage 2 2 A<br>Amperage 1 3 A  |
| Secondary Voltage                    | 2 12 V<br>3 24 V<br>1 8 V                           |

## Certificates and Declarations (Document Number)

|                                   |                     |
|-----------------------------------|---------------------|
| Data Sheet, Technical Information | 2CSC000001D0202     |
| Declaration of Conformity - CE    | 2CSC446002D2702     |
| Instructions and Manuals          | on the product body |
| RoHS Information                  | 2CSC446004K0201     |

## Classifications

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| ETIM 4                     | EC001547 - Bell transformer                                |
| ETIM 5                     | EC001547 - Bell transformer                                |
| ETIM 6                     | EC001547 - Bell transformer                                |
| ETIM 7                     | EC001547 - Bell transformer                                |
| Object Classification Code | T                                                          |
| WEEE Category              | 5. Small Equipment (No External Dimension More Than 50 cm) |
