

## PRODUCT-DETAILS

# AM9

## AM9 Earthing terminal

### General Information

|                       |                       |
|-----------------------|-----------------------|
| Extended Product Type | AM9                   |
| Product ID            | 2TKA110009G1          |
| EAN                   | 6410019130492         |
| Catalog Description   | AM9 Earthing terminal |

### Long Description

The earthing terminal AM9 is mainly used to connect earthing conductors to various kinds of pipework, in sizes Ø 6-15 mm. The earthing terminal can also be used to connect earthing conductors to a building's concrete reinforcement. A suitable concrete reinforcement bar has a diameter of between 8-15 mm. The earthing conductor has one 4-35 mm<sup>2</sup> strap. If there is a need for a 25 mm<sup>2</sup> copper connector, two AM9 terminals must be used in parallel. The conductor bar is made of tinned copper and the strap is made of zinc-plated, yellow-passivated steel.

### Ordering

|                        |               |
|------------------------|---------------|
| E-Number (Finland)     | 1913049       |
| E-Number (Sweden)      | 0681018       |
| EAN                    | 6410019130492 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85369010      |

### Dimensions

|                               |            |
|-------------------------------|------------|
| Product Net Width             | 0.017 m    |
| Product Net Height            | 0.047 m    |
| Product Net Depth /<br>Length | 0.035 m    |
| Product Net Weight            | 0.04325 kg |
