

## PRODUCT-DETAILS

# JSHD4-4-AD

## JSHD4-4-AD Enabling Switch

### General Information

|                       |                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------|
| Extended Product Type | JSHD4-4-AD                                                                                    |
| Product ID            | 2TLA019995R2600                                                                               |
| EAN                   | 7350024453607                                                                                 |
| Catalog Description   | JSHD4-4-AD Enabling Switch                                                                    |
| Long Description      | Three-position device. Top part with LEDs and front button. Bottom part with M12-8 connector. |

### Additional Information

|                  |                                           |
|------------------|-------------------------------------------|
| Product Name     | Three-position handheld device - Complete |
| Sub-Function     | 1 front auxiliary button                  |
| Status Indicator | Yes                                       |

### Safety Information

|                        |         |
|------------------------|---------|
| Performance Level (PL) | Up to e |
|------------------------|---------|

### Technical

|                          |            |
|--------------------------|------------|
| Communication Interface  | Contacts   |
| Connection Configuration | M12-8 male |

---

## Environmental

|                         |                          |
|-------------------------|--------------------------|
| Degree of Protection    | IP65                     |
| Ambient Air Temperature | Operation -10 ... +70 °C |

---
