JSHD2C type EJSHD2C type E Enabling Switch

Extended Product Type	JSHD2C type
Product ID	2TLA020001R100
EAN	735002445683
Catalog Description	JSHD2C type E Enabling Switc
Long Description	Three-position pushbutton, Au contact, 2 leads 200mm, Foff = 20 I
Additional Information	
Product Name	Three-position single pushbutto
Function	Three-position single pushbutto
Safety Information	
B10d Value	2 million operations to middle positio 968 000 operations to bottom positio

Environmental	
Degree of Protection	IP54
Ambient Air Temperature	Operation -25 +55 °C Storage -40 +85 °C
Material Contact: Au; Housing: POM 20% G	F (yellow); Plunger: PBT (Black
Popular Downloads	
Data Sheet, Technical Information	2TLC010097L0201
Certificates and Declarations (Document Number)	
Declaration of Conformity - CE	2TLC172022D020:
SEMKO Certificate	2TLC172032D020:
Dimensions	
Product Net Width	26.55 mm
Product Net Depth / Length	13.5 mm
Product Net Height	29.2 mm
Product Net Weight	0.01 kg
Ordering	
Minimum Order Quantity	1 piece
Country of Origin	China (CN)

Object Classification Code	В
ETIM 6	EC002611 - Control switch
ETIM 7	EC002611 - Control switch
eClass	V11.0 : 27371238
UNSPSC	39121545
