

## PRODUCT-DETAILS

# Pluto AS-i v2

## Pluto AS-i v2

### General Information

|                       |                                                                                                                                                                                                             |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | Pluto AS-i v2                                                                                                                                                                                               |
| Product ID            | 2TLA020070R1100                                                                                                                                                                                             |
| EAN                   | 7320500410592                                                                                                                                                                                               |
| Catalog Description   | Pluto AS-i v2                                                                                                                                                                                               |
| Long Description      | Safety PLC with AS-i bus and Pluto safety bus. Totally 12 I/O: 4 failsafe inputs + 4 non-failsafe outputs/failsafe inputs + 2 individual failsafe relay outputs + 2 individual failsafe transistor outputs. |

### Ordering

|                        |            |
|------------------------|------------|
| Minimum Order Quantity | 1 piece    |
| Customs Tariff Number  | 8536411090 |

### Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Depth / Length | 120 mm  |
| Product Net Height         | 84 mm   |
| Product Net Width          | 45 mm   |
| Product Net Weight         | 0.39 kg |

## Technical

|                                                |                                                                 |
|------------------------------------------------|-----------------------------------------------------------------|
| Diagnostic Coverage                            | High                                                            |
| Number of Inputs                               | Failsafe 8                                                      |
| Number of Outputs                              | Failsafe (Transistor) 2<br>Failsafe (Relay) 2<br>Non-Failsafe 4 |
| Performance Level (PL)                         | Up to e                                                         |
| Protocol Type                                  | MODBUS ASCII, Pluto Safety Bus, AS-i, StatusBus                 |
| Rated Control Supply Voltage (U <sub>s</sub> ) | 24 V DC                                                         |
| Supply Voltage                                 | 24 V DC                                                         |

## Certificates and Declarations (Document Number)

|                                |                 |
|--------------------------------|-----------------|
| Declaration of Conformity - CE | 2TLC172011D0201 |
| Environmental Information      | 2TLC172001D0201 |
