

## PRODUCT-DETAILS

# Pluto S20 v2

## Pluto S20 v2

### General Information

|                       |                                                                                                                                                                                                                                              |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | Pluto S20 v2                                                                                                                                                                                                                                 |
| Product ID            | 2TLA020070R4700                                                                                                                                                                                                                              |
| EAN                   | 7320500410554                                                                                                                                                                                                                                |
| Catalog Description   | Pluto S20 v2                                                                                                                                                                                                                                 |
| Long Description      | Safety PLC. Totally 20 I/O: 8 failsafe inputs + 8 non-failsafe outputs/failsafe inputs + 2 individually failsafe relay outputs + 2 individually failsafe transistor outputs. (Without Pluto safety bus). NOTE: Version 2 hardware/processor. |

### Ordering

|                        |            |
|------------------------|------------|
| Minimum Order Quantity | 1 piece    |
| Customs Tariff Number  | 8536411090 |

### Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Depth / Length | 120 mm  |
| Product Net Height         | 84 mm   |
| Product Net Width          | 45 mm   |
| Product Net Weight         | 0.39 kg |

## Technical

|                                                |                                                                 |
|------------------------------------------------|-----------------------------------------------------------------|
| Diagnostic Coverage                            | High                                                            |
| Number of Inputs                               | Failsafe 16                                                     |
| Number of Outputs                              | Failsafe (Transistor) 2<br>Failsafe (Relay) 2<br>Non-Failsafe 8 |
| Performance Level (PL)                         | Up to e                                                         |
| Protocol Type                                  | MODBUS ASCII, StatusBus                                         |
| Rated Control Supply Voltage (U <sub>s</sub> ) | 24 V DC                                                         |
| Supply Voltage                                 | 24 V DC                                                         |

## Certificates and Declarations (Document Number)
