| Technical data:                                      |    |             |
|------------------------------------------------------|----|-------------|
| Current / for AC / rated value                       | A  | 40          |
| Operating class of the fuse link                     |    | gS          |
| Size of the fallback-system / acc. to DIN EN 60269-1 |    | NH000       |
| Supply voltage                                       |    |             |
| • for AC / rated value                               | V  | 690         |
| • for DC                                             | V  | 440         |
| Switching capacity current                           |    |             |
| • in accordance with IEC 60947-2 / rated value       | kA | 71          |
| Design of an identification indicator                |    | others      |
| Ambient temperature                                  | °C | -20 ... +50 |
| Varying load factor (WL)                             |    | 1           |

| Certificates/approvals:                                                                    |                                                                                                 |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| General Product Approval                                                                   | Declaration of Conformity                                                                       |
