| Technical data:                           |    |                          |
|-------------------------------------------|----|--------------------------|
| product brand name                        |    | SETRON                   |
| Product extension                         |    | Auxiliary current switch |
| Number of NC contacts                     |    | 0                        |
| Number of change-over switches            |    | 1                        |
| Number of NO contacts                     |    | 0                        |
| Number of width units                     |    | 0.5                      |
| Breaking capacity current / nominal value | A  | 5                        |
| Operating voltage / rated value           | V  | 250                      |
| Design of product / factory mounted       |    | No                       |
| Product extension / can be mounted        |    | others                   |
| Number of fault signal contacts           |    | 0                        |
| Voltage type / of control voltage         |    | AC                       |
| Height                                    | mm | 90                       |
| Width                                     | mm | 8                        |
| Depth                                     | mm | 49.8                     |
| Net weight                                | g  | 53                       |
