

STANDARD MOUNTING RAIL ADAPTER,  
SIZES 00,S0, DIRECT DRIVE,  
FOR MECHANICAL FIXING OF CIRCUIT-BREAKER AND  
CONTACTOR CAN BE SNAPPED ON STANDARD  
MOUNTING RAIL OR FOR SCREW FITTING (PACKING = 5  
ITEMS)

### General technical data:

|                             |  |                                                          |
|-----------------------------|--|----------------------------------------------------------|
| product brand name          |  | SIRIUS                                                   |
| Product designation         |  | mounting rail adapter                                    |
| Design of the product       |  | for mechanical mounting of circuit breaker and contactor |
| Size of the circuit-breaker |  | S00, S0                                                  |
| Size of the contactor       |  | S00, S0                                                  |

### Installation/mounting/dimensions:

|               |    |                                                              |
|---------------|----|--------------------------------------------------------------|
| Mounting type |    | screw and snap-on mounting onto 35 mm standard mounting rail |
| Width         | mm | 45                                                           |
| Height        | mm | 170                                                          |
| Depth         | mm | 32                                                           |

### Certificates/approvals:

|                             |  |    |
|-----------------------------|--|----|
| Verification of suitability |  | CE |
|-----------------------------|--|----|

| General Product Approval                                                            | Declaration of Conformity                                                                       | Shipping Approval                                                                                                                                                                                                                                                                                                                     |
