

EXTENSION CONNECTOR FOR CONNECTING 3-PHASE BUSBARS 3RV2917

### General technical data:

|                                  |    |                |
|----------------------------------|----|----------------|
| product brand name               |    | SIRIUS         |
| Product designation              |    | Expansion plug |
| Design of the product            |    | as spare part  |
| Size of the circuit-breaker      |    | S0             |
| Protection class IP on the front |    | IP20           |
| Ambient temperature              |    |                |
| • during storage                 | °C | -50 ... +80    |
| • during operation               | °C | -20 ... +60    |
| Ampacity maximum                 | A  | 63             |

### Installation/ mounting/ dimensions:

|        |    |      |
|--------|----|------|
| Width  | mm | 23.2 |
| Height | mm | 41.7 |
| Depth  | mm | 26.8 |

### Certificates/ approvals:

|                            |  |                     |
|----------------------------|--|---------------------|
| Certificate of suitability |  | CE / UL / CSA / CCC |
|----------------------------|--|---------------------|

| General Product Approval                                                          |                                                                                   |                                                                                   | Test<br>Certificates                                                   | Shipping Approval                                                                   |                                                                                     |
