

# Pressure gauge OH-22-GN

Part number: 4237

FESTO

## Data sheet

 [General operating condition](#)

| Feature                                  | Value                                                              |
|------------------------------------------|--------------------------------------------------------------------|
| Symbol                                   | 00991500                                                           |
| Explosion prevention and protection      | Zone 1 (ATEX)<br>Zone 2 (ATEX)<br>Zone 21 (ATEX)<br>Zone 22 (ATEX) |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:-:-]                      |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use) |
| LABS (PWIS) conformity                   | VDMA24364-B1/B2-L                                                  |
| Ambient temperature                      | -10 °C ... 45 °C                                                   |
| Product weight                           | 25 g                                                               |
| Pneumatic connection                     | G1/8                                                               |
| Note on materials                        | RoHS-compliant                                                     |
