

## PRODUCT-DETAILS

# 5011-A3610

Radio/TV socket outlet insert, loop-through type with 10 dB tap loss

Product image  
not available

## General Information

|                     |                                                                      |
|---------------------|----------------------------------------------------------------------|
| Product ID          | 5011-A3610                                                           |
| EAN                 | 8595025319722                                                        |
| Catalog Description | Radio/TV socket outlet insert, loop-through type with 10 dB tap loss |
| Long Description    | Radio/TV socket outlet insert, loop-through type with 10 dB tap loss |

## Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 8595025319722 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85366910      |

## Dimensions

|                            |           |
|----------------------------|-----------|
| Product Net Width          | 0.07 mm   |
| Product Net Height         | 0.0673 mm |
| Product Net Depth / Length | 30 mm     |
| Product Net Weight         | 0.112 kg  |

## Container Information

|                       |                |
|-----------------------|----------------|
| Package Level 1 Units | packet 1 piece |
| Package Level 1 Width | 0.08 m         |

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Height         | 0.045 m       |
| Package Level 1 Depth / Length | 0.08 m        |
| Package Level 1 Gross Weight   | 0.124 kg      |
| Package Level 1 EAN            | 8595025319722 |

## Additional Information

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Color             | Aluminium                                                            |
| Cover Plate Type  | None                                                                 |
| Frequency (f)     | 4...862 MHz                                                          |
| Material          | Metal                                                                |
| Mounting Type     | Flush mounted (plaster)                                              |
| Product Name      | Radio/TV socket outlet insert, loop-through type with 10 dB tap loss |
| Surface Finishing | Surface protection: Metallic                                         |

## Classifications

|               |                                                            |
