

Sensor bracket SIEZ-B-8

Part number: 538346

 [General operating condition](#)

Data sheet

Feature	Value
Ambient temperature	-25 °C ... 80 °C
Size	M8
Type of mounting	With through-hole
Product weight	3.5 g
Housing material	PA-reinforced
Corrosion resistance class (CRC)	0 - No corrosion stress
Selection of additional sensor information	Mounting attachments
