

# Manifold sub-base VABV-S4-1HS-G14-2T1

Part number: 546210

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                      | Value                                       |
|----------------------------------------------|---------------------------------------------|
| Size                                         | 26 mm                                       |
| CE marking (see declaration of conformity)   | As per EU low voltage directive             |
| UKCA marking (see declaration of conformity) | To UK instructions for electrical equipment |
| Corrosion resistance class (CRC)             | 0 - No corrosion stress                     |
| LABS (PWIS) conformity                       | VDMA24364-B1/B2-L                           |
| Product weight                               | 634 g                                       |
| Note on materials                            | RoHS-compliant                              |
| Plate material                               | Die-cast aluminum                           |
