## Data sheet

| Feature                                              | Value                         |
|------------------------------------------------------|-------------------------------|
| Product weight                                       | 2155 g                        |
| Electrical connection                                | Cable with plug               |
| Cable length                                         | 10 m                          |
| Cable characteristic                                 | Suitable for energy chains    |
| Min. cable bending radius                            | 63 mm                         |
| Cable diameter                                       | 12.5 mm                       |
| Cable design                                         | 25 x 0.34 mm <sup>2</sup>     |
| Degree of protection                                 | IP67<br>as per IEC 60529      |
| Ambient temperature with flexible cable installation | -5 °C ... 80 °C               |
| CE marking (see declaration of conformity)           | As per EU RoHS directive      |
| UKCA marking (see declaration of conformity)         | To UK RoHS instructions       |
| LABS (PWIS) conformity                               | VDMA24364-B1/B2-L             |
| Note on materials                                    | RoHS-compliant                |
| Corrosion resistance class (CRC)                     | 2 - Moderate corrosion stress |
| Material of cable sheath                             | TPE-U(PU)                     |
