

# Electrical manifold module VMPAL-EVAP-20-SP

Part number: 571011

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                                     |
|----------------------------------|-------------------------------------------|
| Integrated function              | Power supply module (signal transmission) |
| Nominal operating voltage DC     | 24 V                                      |
| Corrosion resistance class (CRC) | 3 - High corrosion stress                 |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                         |
| Ambient temperature              | -5 °C ... 50 °C                           |
| Product weight                   | 14 g                                      |
| Housing colour                   | Black                                     |
| Housing material                 | PA                                        |
| Note on materials                | RoHS-compliant                            |
