

# Adapter VMPAL-F20-G1/4

Part number: 573914

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Pack size                        | 10                            |
| Operating pressure               | -0.09 MPa ... 1 MPa           |
| Operating pressure               | -0.9 bar ... 10 bar           |
| Operating pressure               | -13.05 psi ... 145 psi        |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Ambient temperature              | -5 °C ... 50 °C               |
| Product weight                   | 55 g                          |
| Pneumatic connection 1           | Cartridge 18 mm               |
| Pneumatic connection 2           | G1/4                          |
| Note on materials                | RoHS-compliant                |
| Housing material                 | Wrought aluminum alloy        |
