## Data sheet

| Feature                          | Value                                  |
|----------------------------------|----------------------------------------|
| Operating pressure               | -0.9 bar ... 8 bar                     |
| Pilot pressure                   | 3 bar ... 8 bar                        |
| Corrosion resistance class (CRC) | 4 - Particularly high corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B2-L                         |
| Ambient temperature              | -5 °C ... 50 °C                        |
| Product weight                   | 224 g                                  |
| Venting hole connection          | G1/8                                   |
| Pneumatic connection 3           | G3/8                                   |
| Pneumatic connection 5           | G3/8                                   |
| Note on materials                | RoHS-compliant                         |
| Housing material                 | PA-reinforced                          |
