

SIMATIC IPC Slider M.2 SSD, without SSD for IPC MD-57A, IPC BX-39A and IPC PX-39A

| General information                |                                  |
|------------------------------------|----------------------------------|
| Product type designation           | SSD kit                          |
| Memory                             |                                  |
| Type of memory                     | M.2 SSD                          |
| Memory size                        | 0 Gbyte; 1 year (data retention) |
| Write protection switch            | No                               |
| Standards, approvals, certificates |                                  |
| CE mark                            | Yes                              |
| UKCA mark                          | Yes                              |
| EAC (formerly Gost-R)              | No                               |
| RoHS conformity                    | Yes                              |
| Dimensions                         |                                  |
| Width                              | 106 mm                           |
| Height                             | 27 mm                            |
| Depth                              | 9.3 mm                           |
| Weights                            |                                  |
| Weight, approx.                    | 50 g                             |
| Other                              |                                  |
| Target devices                     | IPC BX/PX-39A                    |
