

S7-1500 FRONTCONN. 20 CORES H05V-K 2.5M
 Front conn. f. SIMATIC S7-1500 40-pin (6ES7592-1AM00-0XB0) w.
 20 single cores 0.5 mm² (1-20) core-type H05V-K screw-type version
 L = 2.5 m

Product properties, functions, components / general	
Wire length	2.5 m
Color / of cable sheath	blue
Outer diameter / of cable sheath	2.2 mm
Conductor cross section / Rated value	0.5 mm ²
Number of channels	20
Number of poles	40
Operating data	
Operating voltage / at DC	
• Rated value	24 V
• maximum	30 V
Continuous current / with simultaneous load on all cores / at DC / maximum permissible	1.5 A
Ambient temperature	
• during storage	-30 ... +70 °C
• during operation	0 ... 60 °C
General data	
Certificate of suitability / cULus approval	No

Suitability for interaction	
<ul style="list-style-type: none"> • Input card PLC • PLC output card 	<p>Yes</p> <p>Yes</p>
Suitability for use	
<ul style="list-style-type: none"> • digital signal transmission • analog signal transmission 	<p>Yes</p> <p>No</p>
Equipment marking / acc. to DIN EN 81346-2	W
Net weight	0.81 kg
