

SICAM DEVICE MANAGER BASIC the intuitive Engineering Tool for SICAM A8000 series.

General technical data	
target system	SICAM A8000
national language / of the software	german / english
Product details	
product description	SICAM device manager
Model	
product designation	SICAM device manager
product license	license on USB stick
product variations	intuitive engineering tool for the SICAM A8000 series
product functions	
product function / user interface info texts can be translated into any national language	Yes
product function / Unicode support for process data	Yes
product function / project planning function	Yes
product function / parameterizing function	Yes
Display and operation	
horizontal image resolution / of the graphics board	1 280 Pixel
vertical screen resolution / of the graphics board	1 024 Pixel

Requirements

number of colors / of the graphics board	65 536
operating system / usable / Windows 7	No
operating system / usable / Windows 10	Yes
operating system / usable / Windows 2012 Server	Yes
operating system / usable / Windows 2016 Server	Yes
operating system / usable / Windows Server 2019	No
processor clock frequency / minimum	2 GHz
storage capacity / on hard drive / required	30 Gbyte
storage capacity / of the main memory or RAM / minimum	4 Gbyte
