

# Barbed Y connector with restrictor Y-PK-3-D

Part number: 7456

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                  | Value                                                              |
|------------------------------------------|--------------------------------------------------------------------|
| Pneumatic connection 1                   | PK-3                                                               |
| Housing material                         | POM                                                                |
| Nominal width                            | 2.5 mm                                                             |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:-:-]                      |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use) |
| LABS (PWIS) conformity                   | VDMA24364-B2-L                                                     |
| Note on materials                        | RoHS-compliant                                                     |
